

POOL

Permit Application Checklist

1. **Completed Application Form**
2. **Development Review Forms**
3. **Site Plan (Indicating location of pool, fencing and gates)**
4. **Lot Grading Exemption Request or Grading Plan**
5. **Building Plans (Electronic Submissions Preferred)**
6. **Undertaking for Repair Form**
7. **Conservation Authority Approval (Catfish Creek or Kettle Creek where applicable)**

SUBMISSION REQUIREMENTS

When submitting for a building permit the following items are required:

- **Application to Construct or Demolish with Schedule 1 (Designer Information)**
- **Development Review Form** completed with all other authorities having jurisdiction approval
- **A Set of Building Plans** to scale, legible and include:
 - **Site Plan** - lot lines and dimensions, new and existing building sizes and locations, building setbacks, street names, municipal address and north arrow. (Plans submitted for development approval may also be re-submitted for building permit)
 - **Foundation Plan** showing; scale, dimensions, size type and location of all walls and partitions, width locations and lintel sizes for all openings, material specifications or notes.
 - **Floor Plans** showing; scale, dimensions, use of rooms and spaces, size type and location of all walls and partitions, width locations and lintel sizes for all openings, material specifications or notes, location and direction of stairs, references to details.
 - **Elevations** showing; scale, vertical dimensions, grade level, exterior finishes, overhang dimension, roof shape slope and finish, references to details.
 - **Sections and Details** showing; scale, details of footings foundation, walls, floors and roof, distance from grade to floors, roof and underside of footing, material specifications or notes.
 - **All drawings** to be done by a qualified designer with a valid BCIN (Except for exemptions as outlined under sections 2.17.4.1.(3) (4) and 2.17.5.1.(2) of the OBC)
 - **Engineered Truss Drawing** (with Engineers stamp) required prior to framing inspection. To avoid any problems it is recommended the stamped truss drawing be submitted with the permit application.
- **General Review Commitment Certificate** completed by engineer/architect for aspects of the building designed outside of part 9 of the OBC.

Incomplete applications will be rejected prior to review and will need to be resubmitted for issuance of permit.

As of August 22, 2016, By-Law 2029, being a by-law respecting the implementation of the Building Code Act, S.O. 1992, c.23. and cited as the "Building Permit By-Law":

9.11 Building Permit Security Deposit: With respect to the issuance of a building permit, a refundable security deposit will be paid to the Municipality to assure total completion of work authorized by the permit. The amount will be based on five (5) percent of the permit value to a maximum of \$1,000.00. The deposit will be held without interest until completion certificate is issued. The deposit will be returned in full, less any additional required inspection fees. If an extension for completion of the permitted work is not requested in writing and granted, then the deposit will be forfeited at the end of one year after the date of issuance of the permit. The fee contemplated by this section shall be forfeited in full if the building for which the permit was issued has been occupied prior to the issuance of a completion certificate.

Application for a Permit to Construct or Demolish

This form is authorized under subsection 8(1.1) of the *Building Code Act, 1992*

For use by Principal Authority

Application number:	Permit number (if different):
Date received:	Roll number:

Application submitted to: _____
(Name of municipality, upper-tier municipality, board of health or conservation authority)

A. Project information

Building number, street name		Unit number	Lot/con.
Municipality	Postal code	Plan number/other description	
Project value est. \$		Area of work (m ²)	

B. Purpose of application

New construction	Addition to an existing building	Alteration/repair	Demolition	Conditional Permit
Proposed use of building		Current use of building		
Description of proposed work

Personal information contained in this form and schedules is collected under the authority of subsection 8(1.1) of the *Building Code Act, 1992*, and will be used in the administration and enforcement of the *Building Code Act, 1992*. Questions about the collection of personal information may be addressed to: a) the Chief Building Official of the municipality or upper-tier municipality to which this application is being made, or, b) the inspector having the powers and duties of a chief building official in relation to sewage systems or plumbing for an upper-tier municipality, board of health or conservation authority to whom this application is made, or, c) Director, Building and Development Branch, Ministry of Municipal Affairs and Housing 777 Bay St., 2nd Floor. Toronto, M5G 2E5 (416) 585-6666.

DEVELOPMENT REVIEW FORM

The Building Code Act requires compliance to other applicable law and items identified under the Municipal Building By-law prior to issuance of a building permit.

In order to determine compliance, the Municipality of Central Elgin has developed the attached "Development Review Form (DRF)" as a general guideline for residential and small construction projects. Failure to complete this form and submission of all required approvals as noted on the DRF will leave the municipal staff unable to determine compliance to other applicable law and, therefore, a building permit **will not** be reviewed or issued.

Building permit application time frames as set out in the Building Code Act will not commence until such time as the DRF is complete and all approvals have been received.

Drawings are required to be to scale, legible and include:

- **Zoning Compliance**

Site plan showing lot lines and dimensions, new and existing building sizes and locations, building height, building set backs, street names, municipal address and north arrow, reference to legal survey or note stating survey stakes located and confirmed on site.

- **Lot Grading**

Site plan showing lot lines and dimensions, new and existing building sizes and locations, building setbacks, location or paved surfaces, street names, municipal address and north arrow, location of septic field, reference to legal survey or note stating survey stakes located and confirmed on site, (geodetic elevations) and drainage arrows. Lot grading plans must bear the signature and deal of a Professional Engineer, Landscape Architect, or Ontario Land Surveyor.

- **Access Permit**

Site plan showing lot lines and dimensions driveway location and width.

- **Service Permit**

Site plan showing lot lines and dimensions, building setbacks, street names, municipal address and north arrow, location or service lines, location of driveways and sidewalks.

- **Proximity to Overhead Power Lines**

Site plan identifying and confirming by the Local Utility Company the proximity to overhead power lines.

Sections outlined below deal with applicable law as outlined in section 1.1.3.3. of the O.B.C, and the Municipal Building By-law as per section 7 of the BCA. Prior to the acceptance of a building permit application, all sections must be fully completed and approved by the appropriate authorities. Time frames for issuance of permits under the BCA, due not commence until all items below are completed and submitted with a complete building permit application to the municipality. This form is only a guideline for residential and small development in our area, additional reviews and approvals may be required.

Full Address of Project

Building Number	Street Name	Unit Number	Lot/Con.
-----------------	-------------	-------------	----------

A) Zoning Compliance

To obtain property zoning, you **must** contact the Municipality of Central Elgin's Planning Staff at 519.631.4860

Property Zoning			
Building Size			
Width	Length	Height	Area
Setbacks Provided			
Side Yard	Side Yard	Front Yard	Rear Yard
Is this application conditional to Site Plan Control or Zoning Amendment?		☐ Yes	☐ No
If yes, attach copies of approvals			

B) Lot Grading Approval

Does the proposed development include a roofed structure greater than 10 m ² (108 ft ²)?	☐ Yes	☐ No
If yes, one of the following is required.		
Have you provided a Lot Grading Plan or Lot Grading Exemption Form for approval?	☐ Yes	☐ No

Is the proposed development in a flood, erosion or dynamic beaches controlled area?	☐ Yes	☐ No
• Kettle Creek Conservation Authority • Catfish Creek Conservation Authority		
Does the proposed construction require Conservation Authority review?	☐ Yes	☐ No
If yes, please provide a copy or permit issued.		

E) Agricultural

Minimum Distance Separation

Non-livestock related construction

Are there any structures capable of housing livestock within 500m (1650ft) of this proposed structure?

☐

Yes

☐

No

Livestock related construction

Are there any residential structures within 500m (1650ft) of this proposed structure?

☐

Yes

☐

No

If yes, to either of the above please provide Minimum Distance Separation Calculation form.

Nutrient Management Act

Is this a new operation creating > 5 N.U. 's

☐

Yes

☐

No

If yes, please provide a copy of Nutrient Management Plan.

Is this a new operation creating > 150 N.U.'s?

☐

Yes

☐

No

Is this a expanding operation creating > 300 N.U.'s?

☐

Yes

☐

No

If yes, to either of the above, please provide a copy of the Provincial approval.

F) Septic Permit

Does the development require installation of a new septic system?

☐

Yes

☐

No

Does the development require alterations of an existing septic system?

☐

Yes

☐

No

Does the development increase the number of bedrooms?

☐

Yes

☐

No

Does the development increase the number of plumbing fixtures?

☐

Yes

☐

No
