RE: COLLINS DRAIN – NOTICE OF COUNCIL MEETING TO CONSIDER REPORT

Please be advised that Mr. Brandon Widner, P.Eng., of Spriet Associates filed the Engineers Report for the Collins Drain dated June 29, 2022. A copy of this report is included in this mailing. Your property falls within the watershed boundary of the project and as such a portion of the cost of the works has been assessed to your property in accordance with the Drainage Act RSO 1990.

Council of the Municipality of Central Elgin will consider this report at their meeting scheduled for Thursday, August 18th, 2022 at 12:20 p.m. through Zoom. A copy of the report can be found along with details on how to join by Zoom using the web address below. Zoom details may not be available until a few days prior to the meeting.

At that time, Mr. Widner will make a presentation to Council with respect to the report. Landowners having concerns with the report will be given an opportunity to address Council prior to the report being adopted.

Appeals on assessments will be heard at the Court of Revision which will be scheduled for a later date.

If you have any questions with respect to the above information or the drainage report, please do not hesitate to contact the undersigned below.
