To Whom it may concern,

I have inspected the location of 42264 Ron McNeil Line for Brad DeBakker

The existing septic system and tank are in good condition, and meet the approval of Van Gorp Drainage and Excavating Inc. Please contact me for further information if needed. Our company BCIN number is 17382. Please note, we are not responsible for any issues with the weeping bed after the inspection is done.

Regards

Jason Van Gorp
