

THE MUNICIPALITY OF CENTRAL ELGIN

Council Highlights

Tuesday, June 27, 2023

Public Consultation Edward Street Stairs

The Council has given its approval to a hybrid style format for the public consultation on the Edward Street Stairs project. This approach will allow residents to choose between attending the event in person or participating virtually through a dedicated online platform. Additionally, the presentation will be recorded and made available on the Lets Talk Central Elgin platform for additional comments, which the Council will take into account for the project.

200 Trees for 200 Years

Council approved the 200 Trees for 200 Years project to be implemented in 2024, the 200 year marking for the village of Port Stanley.

low lighting Turvey Park

Council directed staff to investigate low level lighting for Turvey Park. Low level lighting to go through the whole pathway and into the park.
