## The Polar Bear Dip is Back!

Are you ready for a heart-pumping, adrenaline-rushing experience that will leave you feeling invigorated and fulfilled? Look no further than the return of the beloved Polar Bear Dip in Port Stanley!

Council unanimously approved the application, and are thrilled to announce that Childcan will be bringing this exciting event back to Little Beach. On Saturday, March 4, 2023, from 10 am to 2 pm, brave souls will plunge into the frigid waters in support of a worthy cause.

You will not only have the thrill of a lifetime, but you will also be helping to support families served by Childcan throughout Western Ontario, as proceeds from the event will go towards direct financial assistance, social and emotional support, and vital research at the Children's Hospital in London.

So grab your friends and family, and join Childcan for a day of fun and fundraising. Take the plunge and help warm hearts in the community. See you on March 4th!

## Outdoor Vendor Permits a Go!

Council agreed to open up seasonal outdoor vendor permits (beach vendors) for the 2023 outdoor season.

## Beach Volleyball Nets

Council has decided to install three volleyball courts at Main Beach. This decision was made after it was found that most individuals who expressed interest in playing volleyball were willing to bring their own nets. The posts for the courts will be made of wood and staff will work with Mackies and GTs to find a suitable location for the courts.
